Please be aware that the QWPL board's approved Circulation Policy permits children access to all material and material formats in our system. If you wish to restrict your child's access to library materials, you should make your position known to your child and/or accompany them to the library to supervise their selections. The library cannot withhold circulating materials from any user regardless of age, or deny them access to the internet. By signing this form YOU are assuming full responsibility for the choice, use and return of all material borrowed and for charges on items that are overdue, lost or damaged on your child's card. Parents/guardians are responsible for ensuring that their child will obey the rules and regulations of the QWPL.
